

CITY OF CLEVELAND
Mayor Frank G. Jackson

March 8, 2010

Dear City of Cleveland Employees,

Improving the quality of life for all residents has been the driving force behind the goals I have set for my administration. The key to this effort is to ensure that all of our children and employees have access to a high quality education. In a society that has transformed from a manufacturing-based economy to a knowledge-based economy, education becomes the gateway to opportunity. As such, the Mayor Frank G. Jackson Scholarship Program has been established to support City of Cleveland employees and their children who are interested in pursuing a college education.

We will offer City of Cleveland employees and their children, an opportunity to apply for one of the following scholarships:

Scholarship Awards

- Five children of City of Cleveland employees who are graduating seniors entering into their first year of enrollment at a post-secondary institution (two-year college, four-year college or university) will be awarded \$2,000.00 each.
- Five children of City of Cleveland employees who are currently enrolled at a four-year college will receive \$1,000.00 each.
- Five City of Cleveland employees earning a bachelors degree (going to school part-time) will receive \$1,000.00 each.
- Twenty-one \$2,000.00 scholarships will be awarded to high school seniors from the City of Cleveland Recreation Centers.

You must apply on line at www.uncf.org. Certified transcripts and two letters of recommendation must be uploaded on the application.

The deadline for completion of applications is Friday, April 30, 2010. All applicants will be notified of scholarship award decisions by Friday, May 28, 2010. For more information, contact Monyka Price, Chief of Education at 216-420-8087.

Sincerely,

Frank G. Jackson, Mayor
